## OTTO HELGERMAN

Otto Helgerman died early Sunday morning, after brief illness. He was 41 years of age, and usually bore the appearance of rugged health.

He moved here from Strawberry Point Ia., with his family a couple of years ago, and was in partnership with George Greve up to the first of the present month.

The body, accompanied by Mrs. Helgerman and Mr. Greve was taken back to the old home in Iowa for interment Sunday night.
